

EMPLOYMENT OPPORTUNITY

Position: Senior Site Superintendent

Job type: Permanent full-time

Location: Eastern Ontario

ASCO's Senior Site Superintendent provides, and is accountable for the necessary planning and controls, and directs and coordinates the work of subcontractors and ASCO's own forces on site. He/she provides the day-to-day leadership in managing the construction site, executing field operations in a safe and consistent manner, within time and budgetary constraints, to meet the objective of continued and sustainable growth of the Company.

Some of the Senior Site Superintendent responsibilities include:

- Providing safety leadership on site through the implementation and enforcement of ASCO's Safety Program, and monitoring safety performance of subcontractors and ASCO's own forces
- Planning, scheduling, and controlling daily activities on site
- Ensuring quality of subcontractors' workmanship and building materials supplied to site
- Ensuring sufficient manpower is provided to achieve safety, schedule and quality objectives
- Managing project budget and billings
- Overseeing contract administration of RFIs, Submittals, Change Orders, etc.
- Fostering and maintaining positive relations and communication with clients, consultants, architects, and subcontractors.

Candidates should:

- Have at least ten (10) years' experience in Institutional, Commercial, Industrial and/or Water/Wastewater construction
- Hold a professional engineering or college degree in construction related program, or have construction trade background; Gold Seal Certification is an asset
- Have demonstrated experience in general contracting in construction
- Have direct site supervision of large Institutional, Commercial, Industrial and/or Water/Wastewater construction projects valued between \$10million and \$100 million
- Demonstrate superior leadership, motivational and mentoring skills
- Have strong supervision, negotiation, and problem-solving skills
- Have excellent communication skills in English and in French (oral and written)
- Be service and results-oriented
- Be able to read, understand and interpret contract documents, drawings, specifications, scopes of work and project schedules
- Be eligible for security clearances and possess a valid driver's license
- Have superior working knowledge of MS Office suite, including Word, Excel, and Outlook.

Employment Benefits

- Competitive employee compensation
- Health, Dental, Vision and Disability benefits program
- Employee Family Assistance Program
- Matching RRSP program
- Profit sharing
- Performance and merit-based recognition
- On the job training
- Health and Wellness (flexible hours, working from home opportunities)
- Education reimbursement program
- Professional and career development opportunities

About ASCO

ASCO Construction Ltd is a privately-owned family-oriented construction services and solutions provider serving the Canadian construction and renovation market. In 2018, ASCO celebrated 30 years of successful operations with a solid track record of completed projects in the Industrial, Commercial, Institutional and Heavy Civil market segments. We safely deliver projects valued between \$1mm and \$75mm with primary focus in the healthcare, educational, recreational, and water & wastewater sectors.

At ASCO, our core values drive how we do business and how we interact with our employees, business partners, customers, and the community in which we operate. Our people are passionate about construction and about providing cost effective solutions. We love building things that matters, and we love challenges. We are innovative and creative in our initiatives. We do the job right the first time and exceed expectations while respecting agreed upon timelines.

The strength of our team lies in the combined experience and expertise of our people. We are awesome with each other and accountable to one another. We approach every business relationship as a partnership. Our priority is to safely deliver safe construction projects while creating value for our customers and maintaining long term business relationships with all our partners.
