EDUCATION & QUALIFICATIONS

Construction Engineering Technology Program T105

George Brown College; Expected 2024

Awards or GPA: 3.8 GPA, Dean's Honor List 5 Terms

AutoCAD

Algonquin College; Completed 2021

Awards or GPA: 4.0

Computer Sys. Tech. – Software Development and Network Engineering

Sheridan College; 2009-2010

Awards or GPA: 3.7

CERTIFICATIONS

Six Sigma White Belt Certification

Generative AI with Google Cloud Certification

Google Cloud Attention Mechanism Certification

Microsoft Office Specialist Certification

Transformer Models and BERT Model

Introduction to Large Language Models

Pro Core Certification

PROFESSIONAL ASSOCIATIONS

OSPE - Ontario Society of Professional Engineers

CCA – Canadian Construction Association

CIOB - The Chartered Institute of Building

CIQS - Canadian Institute of Quantity Surveyors.

TCA – Toronto Construction Association

HCAT – Heavy Construction Association of Toronto
