My ability to adapt to changing environments and my commitment to professional development ensure that I am always ready to meet new challenges and exceed expectations.

EXPERIENCE

LIGHT DUTY CLEANER

Reliable Cleaning & Healthcare

2022 - Present

- As a light-duty cleaner, I play a crucial role in maintaining cleanliness and hygiene standards in diverse settings. In addition to performing routine cleaning tasks such as sweeping, mopping, and dusting, I take pride in my meticulous attention to detail and my ability to identify and address areas requiring special attention. By utilizing effective cleaning techniques and eco-friendly products, I ensure that all surfaces are sanitized and free of debris, creating a safe and welcoming environment for occupants.
- In my role, I am also responsible for conducting thorough inspections to identify maintenance issues and safety hazards, promptly reporting any concerns to management for resolution. By proactively addressing maintenance needs and implementing preventive measures, I contribute to the overall efficiency and functionality of the facilities I serve.

EXPERIENCE (CONTINUED)

HEALTH-CARE ASSISTANT / CHILD HEALTH-CARE ASSISTANT

Alternacare, Montréal QC
Résidences les Floralties Lachine, QC
Royal Victoria Hospital, Montréal, QC

2020-2022

- During my tenure as a healthcare assistant and child healthcare assistant, I had the privilege of working with diverse populations in various healthcare settings, including assisted living facilities and hospitals. In this role, I provided comprehensive care and support to residents and patients, assisting with activities of daily living, medication management, and recreational activities.
- One of the most rewarding aspects of my role was the opportunity to build meaningful connections with residents and patients, fostering trust and rapport through compassionate care and active listening. By taking the time to understand their individual needs and preferences, I was able to tailor my approach to meet their unique requirements, enhancing their quality of life and overall well-being.
- In addition to providing direct care, I also collaborated closely with interdisciplinary teams to develop and implement care plans, monitor patient progress, and coordinate services to ensure continuity of care. Through effective communication and teamwork, we were able to address complex medical and social needs, empowering individuals to achieve their health goals and live fulfilling lives.
