

NATT Safety Services is now hiring Confined Space Rescuer and Attendants in Brockville.

Hourly Rate: \$25 per hour

Work Location: Brockville

Key Responsibilities:

- Demonstrate comprehensive knowledge of the hazards associated with confined space entry, including means of exposure (e.g., inhalation or dermal absorption).
- Recognize signs, symptoms, and consequences of exposure, ensuring timely and appropriate response.
- Maintain effective communication procedures with attendants and alert them to hazardous or prohibited conditions.
- Properly use and understand personal protective equipment (PPE) and safety equipment.
- Exhibit professionalism, effective communication, and reporting skills.
- Ensure cleanliness of company vehicles and trailers.
- Maintain a clean-shaven appearance.
- Comfortably work in tight spaces and at heights.
- Complete all necessary paperwork and documentation, including daily timesheets.
- Adhere to site-specific rules, policies, and expectations outlined in the Job Hazard Analysis (JHA).
- Wear full high-visibility PPE, including safety boots, gloves, glasses, and respirators when required.

Pre-requisite

- First Aid

Schedule:

- Shift work
- Monday to Saturday
- Weekends
- 10 hour shift
- Overtime

Note: Join our team and take advantage of the valuable training opportunities provided by NATT Safety Services. We are looking for dedicated individuals who are committed to safety and eager to develop their skills in confined space rescue operations.
