We deliver advanced solutions to many of the most demanding security and life safety requirements across the country. Our coast-to-coast coverage is provided through a team of experts sharing a common focus on service excellence. Our proven capabilities yield the ultimate in peace of mind to those that we serve.

Role Summary:

We are currently recruiting for a full-time **Level 1 Fire Technician** position for our Ottawa Branch. The main duties of this role may include carrying out inspections, repairs, and maintenance of fire alarm systems installed at our customers' sites. In addition, the successful candidate will be responsible for the maintenance of various emergency systems such as emergency lighting and portable fire extinguishers.

Key Job Responsibilities:

- Communicate with the customer and determine the nature of the problem or trouble with the fire alarm system.
- Independently perform quality work and recommend improvements to ensure that customer satisfaction is met.
- Testing fire alarm systems to ensure that building occupancy can be taken.
- Complete various reports and documents related to the work performed.
- Complete inspections of fire alarm systems as per Can/ULC S536.
- Complete emergency lightning inspections as per the local authority having jurisdiction.
- On-call rotation and some after-hours and weekends are required.

Qualifications:

- Experience/knowledge in the electronics field or a related discipline
- Experience/knowledge servicing fire alarm systems valued
- Excellent oral and written communication skills in English
- Must have a valid Provincial Driver's License
- C.F.A.A. certification is valued or in the process of obtaining it

More about the position:

- Must be eligible to meet requirements for a Federal Security Clearance (Reliability/Secret).
- General knowledge of and use of hand tools
- General computer knowledge and skills, including Microsoft Office Suite
- Excellent problem-solving skills
- Highly organized and able to work under pressure
- Adaptable to changing environments
- Strong interpersonal skills and effective at building relationships - with a demonstrated client service orientation
- Self-motivated with a genuinely positive outlook

Our offerings include:

- Competitive compensation and benefit package
- RRSP matching
- Employee Discounts
- Learning and Development opportunities
- Reward and Recognition Program
- A culture of performance & accountability
- A supportive and positive team environment

Background Check Requirements:

As a condition of employment, this position may be subject to the successful completion of the following pre-employment conditions:

- Criminal Background Check
- Reference Check
