

## Install Technician – Urban Quarry

We're growing! Urban Quarry is seeking a **full-time Install Technician** to join our team. This role involves installing countertops, vanities, fireplace surrounds, shower walls, and more at customer sites. If you have strong hand skills, attention to detail, and a commitment to excellent customer service, we'd love to hear from you!

---

### Key Responsibilities

Install granite and quartz countertops at residential and commercial locations.  
Load and unload stone surfaces, supplies, and tools.  
Remove existing countertops and install new sinks when required.  
Perform on-site polishing, adjustments, and finishing as needed.  
Set seams using seam machines and ensure proper fit and finish.  
Maintain a clean and organized worksite, including installation trucks.  
Accurately update job details in the Urban Quarry system  
Respond to customer inquiries and address concerns professionally.  
Troubleshoot installation issues and escalate concerns when necessary.  
Ensure compliance with safety protocols and company policies.

---

### Qualifications & Skills

Experience in **construction, manufacturing, or countertop installation** is required.  
Valid **G Class driver's license** with a clean driving record.  
Ability to lift **200 lbs+ with assistance**.  
Strong problem-solving and communication skills.  
Positive attitude, attention to detail, and teamwork-oriented mindset.  
Bilingual (English & French) is an asset.

---

### Work Conditions

Travel to job sites required.  
Exposure to tools, equipment, and industry-related hazards.  
Use of PPE (hard hat, safety boots, safety glasses) required.

---
