VOLUNTEER WORK EXPERIENCE

Maximum Performance

Coach assistant

- Was the leading demonstrator for Maximum performance speed training.
- Taught people older than me how to effectively run faster

Elite Martial Arts

Karate Instructor

- Helped teach Karate to younger kids creating plans and minigames for them to play and learn
- Communicated with senior instructors for alternative methods and ways to make it fun
- Helped with physical demonstrations. Encouraging young kids and making them laugh

PROGRAM-RELATED SKILLS

- English: proficient in spoken and written.
- French: basic communication skills
- Proficient in AutoCAD
- Adept in Revit
- Adept in Sketchup
- Basic Adobe photoshop skills
- Able to communicate with clients, and other professionals easily and not afraid to ask questions and seek help if needed
- Critical thinking, has honed fast decision making and critical thinking skills in the field.
- Good math skills, always have worked well with math, and I enjoy it.
- Adaptability, thinks of creative ways to solve problems without reducing quality
- Flexible
- Honest
- Personable, thrives in a team setting with solid communication, good direction and plan making for the team

ACADEMIC PROJECTS

Case Study House Team Project

Visual Communication 2

- Worked in a team using SketchUp to make a two-story house
- Used Twin motion for effects and detailing making a fully furnished interior design
- Used photoshop for a clear picture on the floor plan
- Scored a 95% and highly praised by the professor

AutoCAD House Project

Working Drawings 2

- Worked in AutoCAD to make all plans
- Used AutoCAD to print, create details and all floor plans and section cuts
- Communicated with the professor multiple times if I had any questions
- Finished earlier than assignment by weeks
- Scored a 90% and gained more insights from the professor

Revit Test

AutoCAD 2

- Used only Revit to make a floor plan, wall section and exterior details
- Made a 3d view of the house and clearly indicated everything

- All Elevations made with set parameters set and Window details correctly made
- Scored a 95%

WORK EXPERIENCE

Tim Hortons Team Member

Jan 2022 - Dec 2023

Aylmer, Quebec

- Strengthened and communicated well with employer and team members.
- Worked with team members to redesign the shelves for a clean look
- Leading customer service and resolving all problems with fast and efficient decision making
- Trained other employees and staff to produce better results
- Trusted to run the store alone multiple times.

WPMOttawa Property Maintenance and Landscaping

Jan 2021 - Dec 2022

Ottawa, Ontario

- Positive talks with clients raising the positive reviews on the house
- Took courses outside of work on my own volition for better efficiency
- Always rated high on performance and known as the positivity king among team members
- Worked well with my team for fast and efficient work

CERTIFICATIONS

- WHIMIS Training Certificate
- Driver's License
