

Rajat Virk

EXPERIENCE

April 2023 - Current

Drywall Taper Threeway drywall Ltd. | Ottawa, Ontario

- Worked independently as well as collaboratively with other tradespeople on construction projects.
- Applied coats of plaster or similar materials to walls and ceilings using trowels and other tools.
- Installed metal corner beads at inside corners where two pieces of drywall meet.

August 2021 - March 2023

Drywall Tapper Glyco drywall Ltd | Vancouver, BC

- Clean and prepare surfaces
- Mix plaster ingredients in trough to desired consistency
- Apply, level and smooth coats of plaster using trowels, floats, brushes and spraying equipment
- Trowel or spray coats of stucco over exteriors of buildings to form weatherproof surfaces
- Finish corners and angles and create decorative designs in finish coat, if required
- Cure freshly plastered surfaces
- Mould and install ornamental plaster panels, cornices and trim
- Spray acoustic materials or texture finish over walls and ceilings.

October 2018 - October 2019

Apprentice Hawco petrofer llp | Kathua

- Assist chemists, biochemists, and chemical engineers with tasks related to experimentation, research, and production
- Prepare solutions and lab equipment to be used in research, experimentation, or production procedures
- Perform thorough testing of produced chemical compounds to ensure effectiveness and safety

June 2017 - July 2017

Trainee Rigtech oil field training center | Tamil Nadu, India

- Gain introductory training on reservoir simulation software systems and complete lab experiments on topics such as: Eclipse; Cemcade; Petrel; CMG; Drilling Mud; Mud Density; Mud Viscosity; Retort Analysis; Mud Rheology.
- Obtain knowledge and understanding of principles that underpin engineering science, mathematics and applied sciences essential for a petroleum engineer.
- Undertake field visits and gain an understanding of: technology application in the field; how operations are conducted; the challenges faced during and after production (specifically in gas and water management); and the expectations of oil and gas engineers.

SUMMARY

I am a highly motivated, competent and enthusiastic Petroleum Engineering graduate with Project management certification and professional experience in advanced drilling solutions, petroleum refinery operations, and implementation of procedures and best practices following knowledge management processes.

SKILLS

- Critical thinking and problem solving
- Decision Making
- Leadership Skills
- Fast Learner
- Adaptability
- Computer Skills
- Ability to Work Under Pressure
- Ability to Work in a Team
- Petroleum geology
- Agile Methodologies
- Directional drilling
- Agile Project Management
- Drywall taper
- Drywall finisher

EDUCATION AND TRAINING

August 2021

Post graduate certificate | Project management

Fleming college, Peterborough, Canada

July 2018

Petroleum engineering

Graphic Era deemed to be university, Dehradun

Graduated with Petroleum Engineering

HOBBIES AND INTERESTS

- Swimming
- Volleyball
- Cricket
