Professional Summary

Skilled and reliable construction professional with over 10 years of experience in carpentry, renovation, and general construction. Currently applying expertise in the Canadian construction industry with a strong commitment to quality, safety, and teamwork. Proven ability in drywall, painting, framing, tiling, flooring, and general carpentry. Holds a **valid Canadian work permit, ASP Construction Safety Certificate (Québec), and Québec Driver's License**. Ready to bring my skills and work ethic to dynamic construction teams.

Experience

Construction Worker

Montréal, QC, Canada | April 2024 – Present

- Skilled in carpentry (measuring, cutting, assembling, and operating tools)
- Competent in **drywall installation and finishing**
- Proficient in **painting** (priming, cutting-in, rolling, spraying, detailed finishing)
- Demonstrated expertise in **plastering**
- Highly skilled in **vinyl flooring installation** (measuring, cutting, layout planning, and seamless installation)
- Assists with various construction and finishing tasks alongside experienced professionals, including:
 - Basic plumbing (supporting pipe fitting and fixture installation)
 - Framing and woodwork (e.g., installing supports and structures behind drywall)
 - Deck construction and exterior woodwork
 - Bathroom fixture installation (vanities, mirrors, shelving, accessories)
 - Tile and ceramic installation
 - Hardwood floor installation and floor varnishing
 - Interior and exterior cement work (patching, leveling, surface prep)
 - **Landscaping:** Stone cutting and paving for driveways and pathways
