Subject : Application for Construction Estimator Position

Dear Sir or Madam

I am pleased to submit my application for a Construction Estimator position. With experience in project analysis, blueprint reading, and cost estimation. I am able to produce accurate and competitive estimates while meeting deadlines and the demands of the Canadian market.

Detail-oriented, organized, and proficient with estimation, I collaborate effectively with project teams to optimize costs and minimize risks. My strong attention to detail and ability to interpret technical specifications allow me to contribute directly to the success of your projects.

I would be delighted to bring my skills to your team and remain available for an interview at your convenience.

Yours sincerely,

**ABDERRAHIM SAYAH**
