

Position: Spray Foam Insulation Installer

About Spray-Tech

Spray-Tech Insulation is a leading insulation contractor serving residential and commercial clients in the greater Ottawa area. Our team takes pride in delivering high-quality spray foam, batt, and blown insulation solutions that help customers achieve energy efficiency, comfort, and long-term performance. We're growing fast and looking for motivated professionals to join our skilled crew.

Position Overview

We're hiring a Spray Foam Insulation Installer to join our installation team. The ideal candidate is a certified, reliable, detail-oriented, and experienced in applying spray polyurethane foam (SPF) insulation safely and efficiently.

Ideal Candidates will be able to:

- Prepare job sites, materials, and equipment for spray foam application
- Apply closed-cell spray foam insulation according to estimate, manufacturer specifications and building codes
- Maintain and operate spray foam rigs, pumps, and related equipment (experience with Graco products an asset)
- Ability to troubleshoot/repair their equipment
- Follow company policies, safety procedures, PPE use, and site cleanliness standards
- Communicate effectively with team members, site supervisors, and clients
- Inspect completed work to ensure quality, consistency, and customer satisfaction
- Work independently and part of a team
- Be a reliable, punctual, team-oriented leader
- Complete all daily work logs and job forms
- Have some experience installing all methods of insulation and have a willingness to perform duties outside the scope of spray foam installation

Qualifications

- Certifications: UFC, Caliber, CUFCA or equivalent
- 1+ year of experience in spray foam insulation
- Valid, full driver's license with a clean driving record and reliable personal vehicle
- WHMIS and Working at Heights certifications (asset)
- Strong mechanical aptitude and attention to detail

Why Work With Us

- Competitive wages based on experience
- Year-round work with steady hours
- Training and certification support for dedicated team members
- Opportunities for advancement within a growing company
- Positive, team-oriented work environment

- Health, Dental & Life Insurance
- Milage reimbursement
- Annual boot and pants allowance
- Company attire provided

How to Apply

- Send your resume and cover letter detailing experience through Indeed, or ideally to admin@spraytechinsulation

Please note:

- Applicants must be a permanent resident or legally allowed to work in Canada
- No relocation can be offered, applicants must be located within Ottawa & the Surrounding Areas

Job Type: Full-time

Pay: \$30.00-\$38.00 per hour

Expected hours: No less than 35 per week
