PROFILE

Construction and renovation worker with experience in drywall installation, surface preparation, finishing, and painting. Skilled in renovation work, with strong attention to detail and a commitment to safety and quality. Reliable, hardworking, and adaptable, with the ability to work effectively both independently and as part of a team. Seeking to contribute my skills to a company specializing in drywall installation and finishing while continuing to develop my experience in the construction industry.

KEY SKILLS

- Strong work ethic with a high level of commitment, flexibility, and adaptability.
- Ability to work effectively both independently and as part of a team.
- Strong attention to detail to ensure high-quality workmanship and finishes.
- Quick learner with a willingness to develop new skills.
- Quality control and expiration date checks
