Ottawa, ON | 437-766-7027 | shivamshahpur9@gmail.com

SUMMARY

Hardworking Plumber with 3 years of hands-on experience working on commercial, hotel, and residential sites. Experienced in rough-in pipework, copper soldering, PEX plumbing installations, drain lines, and fixture setups. Fast worker, safety-conscious, and reliable on active construction job sites.

WORK EXPERIENCE

Plumber

Aug 2023 – Present

Hamison Multimechanics – Brampton, ON

- Executed rough-in plumbing, copper pipe soldering, and PEX water line runs for hotel and commercial projects.
- Installed sinks, toilets, showers, faucets, shut-off valves, and drain lines according to site blueprints.
- Tested supply lines and drainage systems for leaks and pressure stability prior to inspection.
- Followed job-site safety rules strictly under ASP Construction and CSTC health and safety standards.
- Utilized power and hand tools daily for precise cutting, thread cutting, fitting, and pipe support installation.
