Custom Stone Fabricators

JOB DESCRIPTION

Job Title: CNC Operator

Job Summary

The **CNC Machine Operator** is responsible for operating and maintaining CNC machinery to fabricate natural stone surfaces for residential and commercial projects. This role involves ensuring precision, quality, and efficiency in the production of **countertops, vanity tops, fireplace surrounds, shower walls, and other stone products**.

Responsibilities

Machine Operation & Production

- Load and unload CNC machines for fabrication processes.
- Operate machinery for **drilling, grooving, cutting, turning, and facing** while maintaining precision and quality.
- Monitor and troubleshoot machine malfunctions, adjust settings, and replace worn tools.
- Follow production schedules to meet quotas and deadlines.
- Maintain high standards of workmanship and efficiency.

Maintenance & Quality Control

- Perform **daily machine maintenance** and ensure a clean, organized workspace.
- Maintain **production logs** and adhere to quality assurance procedures.
- Read and interpret **blueprints and construction drawings** to ensure accurate fabrication.
- Operate **overhead cranes, Manzzelli lifters, and forklifts** safely.

Safety & Compliance

- Follow all **Health & Safety protocols** and company policies.
- Use required **Personal Protective Equipment (PPE)**, including hard hats, safety boots, and safety glasses.
- Report safety hazards and equipment malfunctions promptly.

Additional Responsibilities

- Assist in general production facility operations when required.
- Perform other duties as assigned by the supervisor.

Qualifications & Skills

- **Experience in a manufacturing or fabrication environment** (previous CNC experience preferred).
- Ability to **read and interpret technical drawings** and blueprints.

- Strong attention to detail and accuracy.
- Computer literacy and ability to operate machine programming interfaces.
- Ability to **multitask, problem-solve, and work under tight deadlines**.
- Physically capable of **standing for long periods, frequent bending, and lifting up to 100 lbs** (assistance provided).
- Forklift and crane operation experience is an asset.
- Bilingual (English & French) is preferred but not required.
- Knowledge of **First Aid and CPR** is an asset.

Working Conditions

- **Physically demanding environment** requiring lifting and manipulation of objects over 100 lbs (with assistance).
- Work in **wet, noisy, and high-production environments**.
- Exposure to **industry-related hazards**—strict adherence to safety protocols required.
- Overtime may be required to meet production schedules.

Company Values

Employees are expected to uphold **Urban Quarry's core values**:
✓ Respect
✓ Accountability
✓ Honesty
✓ Loyalty
✓ Excellence

Pay: CA$20.00 - CA$25.00 per hour
